Care BearsTM

THE CARE BEARS

The Care Bears are a roly-poly collection of lovable little Bears with a very special mission: each of the Care Bears captures and expresses a human emotion. In the complex world of human communication and emotional expression, the Care Bears bring a refreshing new way to help people share their feelings with other people. Whether the emotion is a joyous, upbeat one, or the deep feeling shared between two people at a not-so-happy time, there is a Care Bear to express that feeling. Each Care Bear has its own symbol, color, personality and method of emotional expression, and wears a symbol of that expression on his tummy. The Care Bears exist to say for people what they might not be able to say for themselves.

Care Bears . . . they feel for you.
